About the Canadian Collision Industry Forum

The Canadian Collision Industry Forum (CCIF) brings together all of Canada's collision sector stakeholders—collision repairers, suppliers, insurers, associations, original equipment manufacturers and educators—to network, learn and share about industry trends and challenges.

Why sponsor CCIF

The CCIF sponsorship is an unparalleled avenue that allows companies to strategically focus their efforts on the Canadian collision industry and its dedicated workforce.

Our events serve as a platform for bringing together industry leaders, decision-makers and businesses in the collision sector and creating the space for sharing and learning topics about industry issues and emerging trends.

Being a corporate sponsor with CCIF demonstrates your commitment to the industry and becoming an advocate for advancement. CCIF corporate sponsors may receive widespread brand recognition, thought leadership and speaking engagements opportunities to solidify their stance as strong influential leaders within the Canadian collision sector.

Your sponsorship will play a key part in CCIF's mission to offer industry exclusive events and opportunities for networking, learning, and sharing observed industry trends and challenges.

There are numerous corporate sponsor opportunities available, which can suit individual needs and budgets. Sponsors are eligible for Diamond, Platinum, Gold, or Silver sponsorship for the calendar year. There are also a variety of À la carte sponsorship options available.
